Hello Bowlers –

**We have one more pride night this month lets make it colorful! Wear your Pride!!**

Our booth at OC Pride was successful! If you happened by the booth earlier in the day you would have had the honor of meeting **Bill Moledor** and **Steve Morris** FNT legends and the founders of Friday Night Trios back in 2003! We owe them a special thanks for manning the booth. Hopefully we'll see them back on the lanes!

Also a special shout out to:

**Mike Izzo** for securing the booth (for free) and assisting with permits, setup, decorations and also manning the booth!

**Peter-Ray Magdaleno** for setup, decorations, managing the shifts, closing up and manning the booth. Didn't he look great in his custom made t-shirt!

**David Beard** and **Gary Woodling** for manning the booth.

We couldn't have done it without them!

Many of you may have noticed increased activity on social media. Thanks to **Peter-Ray Magdaleno** and **Aiden Daguro** for their continued efforts to keep us in the spotlight on Facebook and Instagram.

We are looking for someone to work on our website, please let a league officer know if you're interested.

We are also looking for a 3<sup>rd</sup> bowler for one of our teams. Please let any board member know of anyone you may think is interested.

When you have any significant lane issues, please see a league officer for a "lane issue sheet." Please fill this out with the specific issue(s) and details requested on the sheet. At the end of the night please turn it in to a league officer as well. **The bowling staff is working to do the best they can when assisting us. Please be patient with them.**

If you have an absent bowler, please let the front desk know to mark them as absent or let them know you have a sub.

If you are pre/post bowling, please get a copy of the recap sheet or take a picture and send it to [FridayNightTrioOC@yahoo.com](mailto:FridayNightTrioOC@yahoo.com). This is the only proof you did a pre/post bowl in case Fountain bowl loses the recap sheet. Instructions can be found [click here](#).
