New Bowlers FAQ:

- ***What is “No Tap”?*** No Tap is a variation where knocking down 9 pins on the first ball is scored as a strike. Look forward to scoring extra high!
- ***How many people do I need?*** We bowl with 3 people on a team. If you are joining solo or only have 2 people, sign up and we’ll match up others for you to bowl with!
- ***Do I / my team members have to be LGBTQ+?*** No! We welcome everyone who wants to enjoy a friendly, casual-competitive evening with us weekly!
- ***Can beginners really win?*** Yes! Every bowler is awarded extra points (called “handicap”) every game. Better bowlers get fewer handicap points, and wins are based on actual bowling plus handicap points for your entire team.
- ***What are the prizes?*** Every team from first to last place wins a cash prize at the end of the season, based on the team wins. There are also individual prizes, occasional raffles, and optional “side” competitions weekly.
